

TRAMLINES

22 - 24 JULY 2022 - HILLSBOROUGH PARK, SHEFFIELD

Tramlines Festival will return to Hillsborough Park from Friday 22nd - Sunday 24th July.

We'd like to say thank you to the local community of Hillsborough for their patience and continued support of Tramlines.

As in previous years, we will have a dedicated Resident Liaison team on hand to answer your queries throughout the duration of the event. We will always strive to limit the impact on local residents and the wider community, so please don't hesitate to get in touch.

Resident Liaison Contact Info

Phone: 0114 312 3662

(This number will be available Monday 11th - Friday 29th July)

Email: residents@tramlines.org.uk

Twitter: @tramlinesinfo

Please feel free to drop in and see our Resident Liaison Team during the festival weekend, they will be based at Hillsborough Arena 21st - 24th July.

PARK ACCESS

Phase 1 - Monday 11th July

Tramlines Festival build commences. Large portions of the north section of the park are not accessible from this point, including the car park accessed from Parkside Road. To the south, HASA's football pitches also aren't available. The middle section in blue remains open to the public but with controlled work areas until Phase 2 begins.

Phase 2 - Monday 18th July

Most of Hillsborough Park is inaccessible until after the event. The pathway linking Broughton Road to Middlewood Road is kept open for as long as possible but is eventually closed Wednesday 20th - Tuesday 26th July inclusive.

Thursday 28th July

The blue section opens to the public again.

Saturday 30th July

All of Hillsborough Park is accessible to the public. Please see the table below detailing dates for when facilities and areas will be accessible to the public:

	11/7 to 17/7	18/7 to 21/7	22/7 to 24/7	25/7 to 27/7	28/7 to 29/7	30/7

TRAMLINES PARK ACCESS MAP 2022

TRAMLINES

22 - 24 JULY 2022 - HILLSBOROUGH PARK, SHEFFIELD

RE-ENTRY

Please be aware that there is no readmission to Tramlines Festival after entry, so please plan ahead!

As with our previous editions, in line with our 2021 Gold Status award from Attitude is Everything, access customers will be able to make specific arrangements with the Access Manager should they need to leave and re-enter the festival. You can contact them by emailing: access@tramlines.org.uk.

Those with unforeseen or emergency circumstances during the weekend should speak to staff at the Customer Service tent. The Customer Service Team will also make arrangements for parents who need to take children home and wish to return to site on their own later.

Families don't need to get in touch ahead of the event to make re-entry arrangements, however we do understand some residents may have queries so please get in touch on residents@tramlines.org.uk and not through our access email address.

Please be aware, those permitted to re-enter the festival will be able to do so once, subject to the same entrance procedures as first arrival and will have to be back on site before the gates close for all ticket holders at 19:30.

NOISE

We are committed to ensuring that noise from Tramlines is controlled to within the limits agreed with the local authority. Our team of external noise consultants, Joynes Nash, were appointed to work on Tramlines to develop a noise management plan, aiming to minimise noise nuisance for local residents and monitor noise levels throughout the show weekend.

However, if you have any concerns regarding the noise levels generated by the event, please reach out to our Resident Liaison team on **0114 312 3662**.

Please find an overview of the timings for amplified sound below:

	21/07/22	22/07/22	23/07/22	24/07/22
Propagation Test*	17:00 - 20:00			
Sound Check**		09:30 - 12:00	09:30 - 12:00	09:30 - 12:00
Live Event		12:00 - 22:30	12:00 - 22:30	12:00 - 21:30

*Propagation Test - Thursday 21st July 17:00 - 20:00

This enables the festival to measure the noise that is leaving the festival from the main stages' PA systems to check how sound is behaving in the area.

**Sound checks

Sound check noise isn't continuous but rather an occasional checking of levels within the defined period of time.

RESIDENT STREET ACCESS

A Temporary Traffic Regulation Order (TTR0) will be implemented on the streets shown in the map on the right in order to:

- Deter attendees from parking in the direct vicinity of the park
- Lower volumes of traffic
- Improve public and attendee safety

Access will be maintained for residents, business owners, their employees and customers.

A Resident Access Hanger has been included with this information sheet. This hanger will need to be displayed in your vehicle to enable access to your address. Please be aware that these hangers are not parking permits and are for access to your streets only.

Each property will automatically receive one hanger per household, if there is more than one vehicle registered to your address please email residents@tramlines.org.uk to request further hangers. Please note you will need to provide proof of address in order to qualify.

ROAD CLOSURES FOR PEDESTRIAN SAFETY

Please see the table below for estimated road closure times. Due to possible schedule changes at the event, these are only estimates:

	Friday	Saturday	Sunday
Middlewood Rd	21:30 - 22:45	21:30 - 22:45	20:45 - 22:00
Penistone Rd	21:45 - 22:30	21:45 - 22:30	21:00 - 21:45

This means access to Middlewood Rd for anyone, including residents, will be paused during this time for approximately 1 hour 15 minutes each night with Penistone Road also being closed each night for approximately 45 minutes.

Please note in emergency situations, or if it is required, any or all of the roads contained within the TTR0 can be closed at any time if it is deemed essential for the safety of attendees, residents or any other persons.

SECURITY

We have been working closely with South Yorkshire Police and the local licensing authority to ensure that we have suitable support during the event. Tramlines will continue to endeavour to limit the impact on the surrounding community.

SANITATION

We will have toilet provision on entry/exit gates and will deploy security to streets that had previous issues with attendees urinating as attendees arrive and leave the event.

We've increased our dedicated litter picking team for 2022 to cleanse the park, surrounding streets and egress routes.

RESIDENT LIAISON CONTACT INFO

Phone: 0114 312 3662

(This number will be available Monday 11th - Friday 29th July)
